I told  
her I  
wanted  
her!

I went  
and said  
it!

I bet she  
just sees  
me as some  
creepy lowlife  
(more like a  
stalker)  
who doesn't  
know his  
place!

Saying  
it like  
that makes  
it obvious  
that I want  
to date her  
for real!

Did  
Mizuhara  
think I was  
weird?

UGH...!  
AS A RENTAL,  
MY ASS!

THERE'S  
NO  
DENYING  
IT...

MY REAL  
FEELINGS  
JUST  
BURST  
OUT!

BUT,  
SEEING  
MIZUHARA  
DESPERATELY  
DEFENDING  
ME LIKE  
THAT...

My  
feelings for  
Mizu hara....

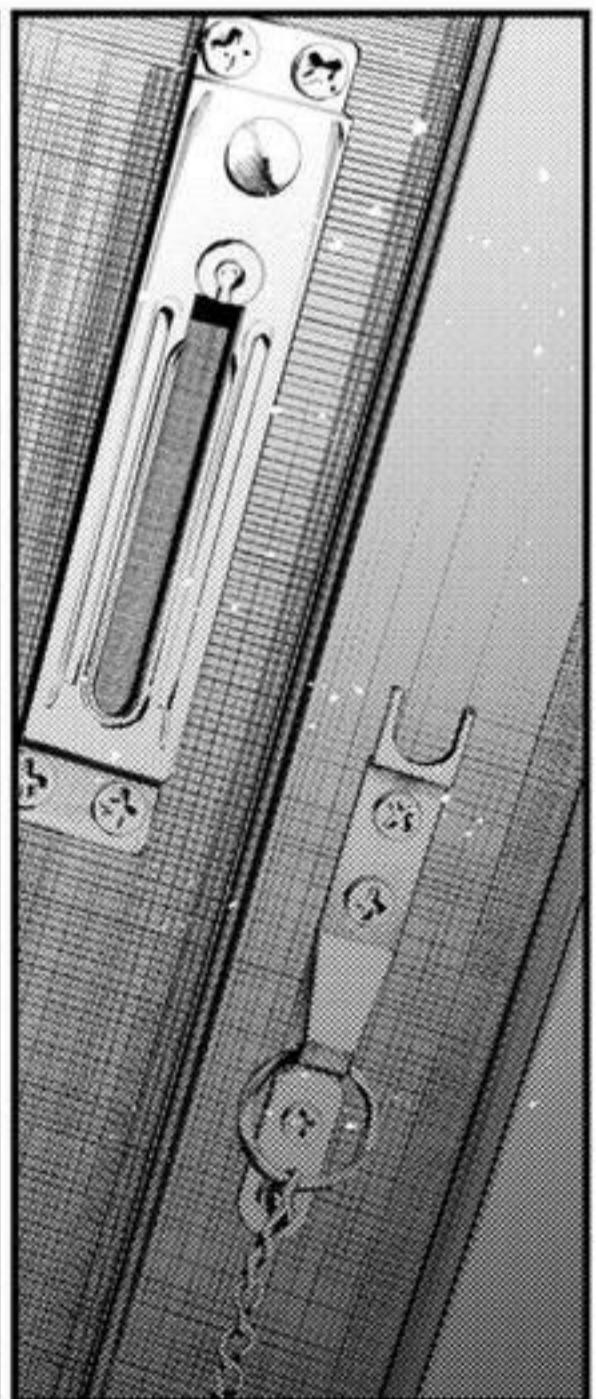

Are  
real...!

Stupid.
