Kazuya felt lonely after getting dumped by his girlfriend, so he got a rental girlfriend.

Beep

Just how slow was the story?!

I didn't get my editor to do it!

I tried to summarise the first 16 chapters in 1 page, and it was surprisingly easy!

And then the lies snowballed.

She's my girlfriend

Then to his friends,

and he introduced her to his family as his real girlfriend.

My girl-friend!

Sh-she's ...
The girlfriend!

Stuff happened,

He jumped into the sea for whatever reason.

But to save his rental girlfriend from drowning,

Had Kazuya wanting to reconcile with her.

The moves made by his ex-girlfriend while on holiday in Shimoda,

The story unfolds from the next page!

This ending sucks!

But all that appeared in his mind was his rental girlfriend, Mizuhara Chizuru...

After returning to Tokyo, Kazuya relieved himself as usual.

What was that for...

Oh...

Ho...

Hey! Teckay from Jet Yau scans here.
It's exam season again and
both our translators are
heads deep in revision so we are recruiting any
Japanese-English translators willing to help.
Just email me at jetyauscans@hotmail.com
if you are interested!

Also because of this, we most likely won't
be able to keep to a three day release schedule.

Other than that, thanks for reading
and your overwhelming support!
