If there's
one thing
I've learned
from being
a rental
girlfriend,

that it's
feelings
of love are
invaluable!

Finding
someone
to fall in
love with

is
actually
really
hard to
do!

Kazuya
is serious!
Are you?

Have you
ever been
serious
about
him?

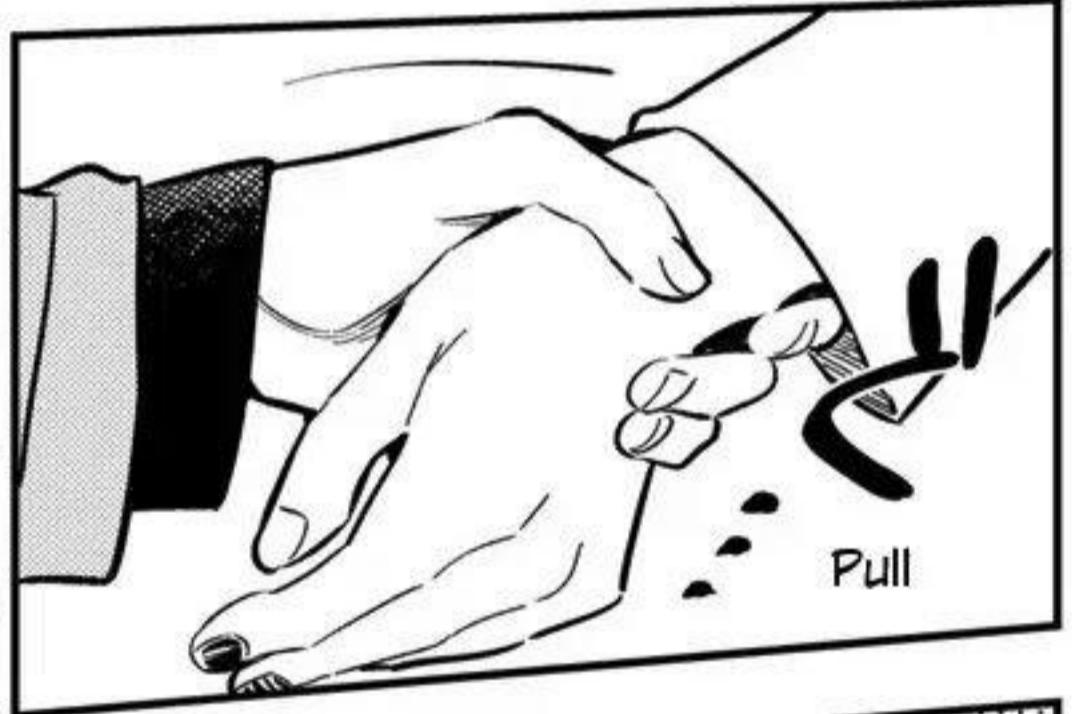

Let
him love
you?

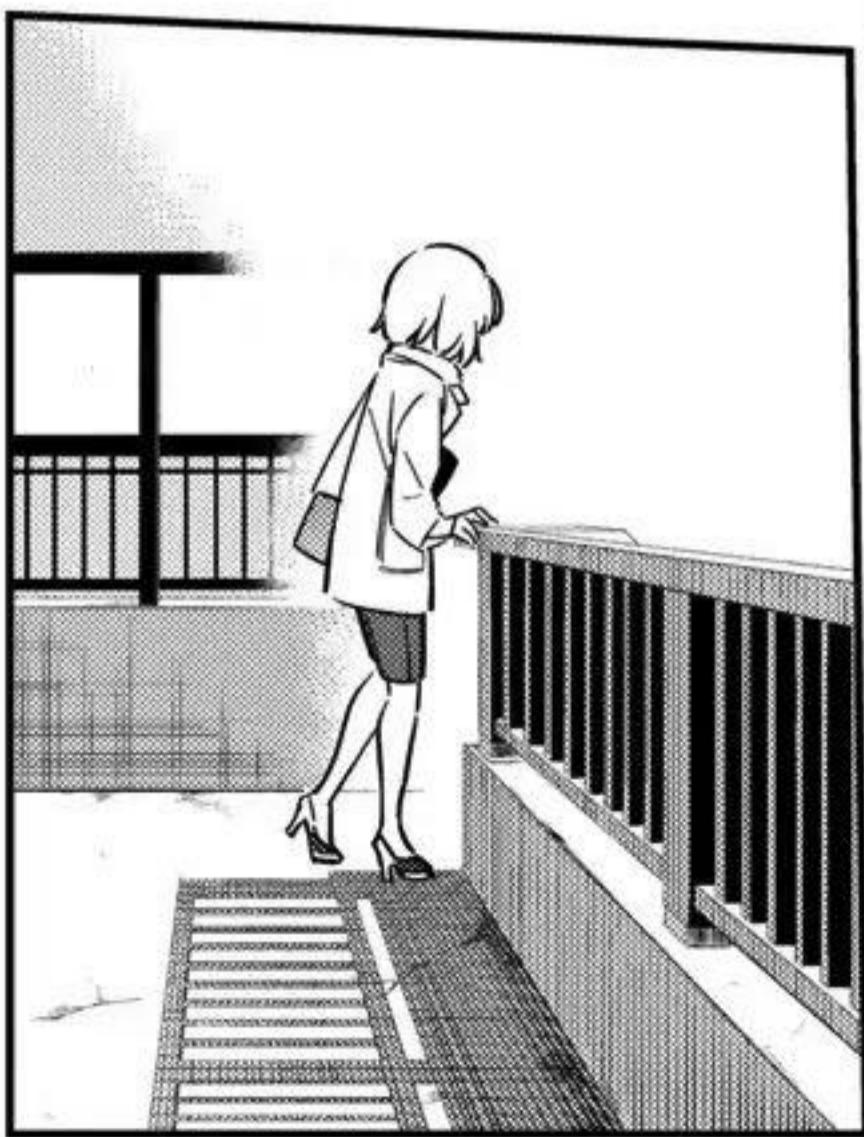

Mizu-
hara...

Did
you ever
actually

Who can
make you
truly happy?

Did it ever
cross your mind,
that this may
be the person

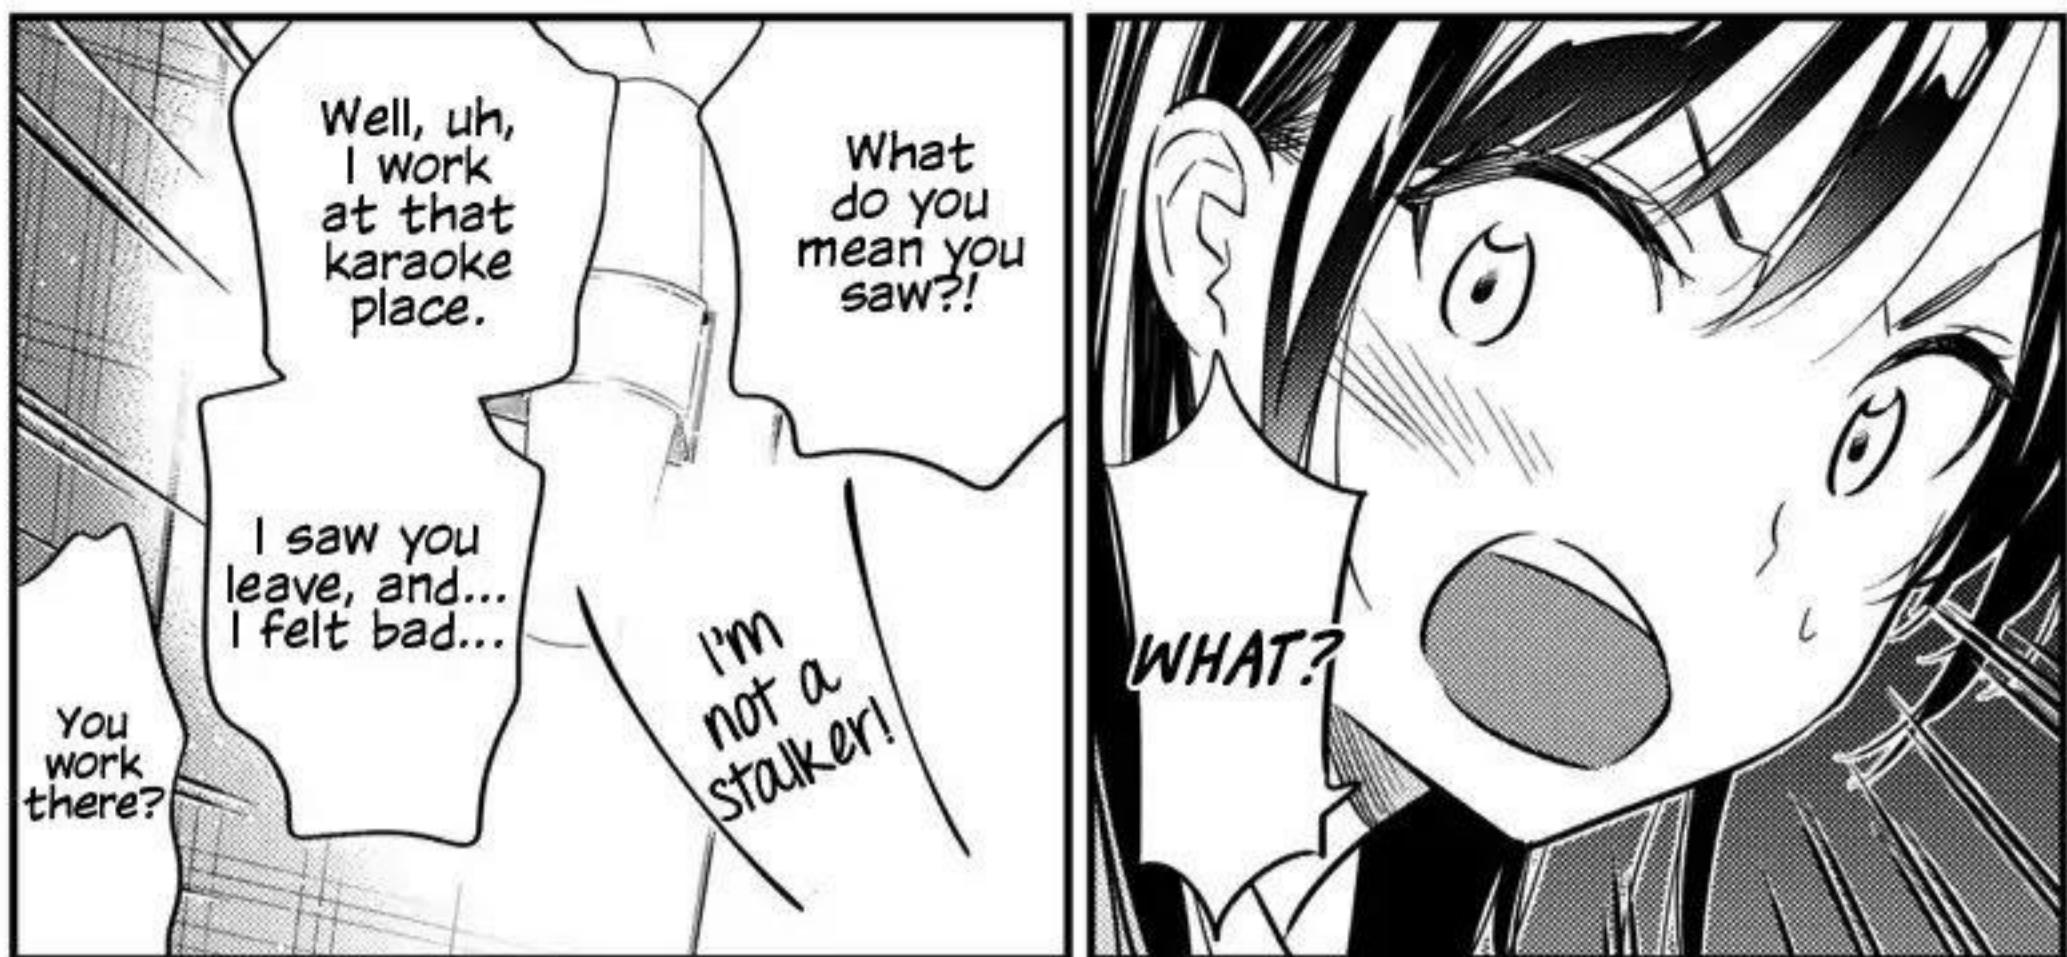

Get
you a
girlfriend.

I
couldn't

SHE'S
ALWAYS
THINKING
OF ME.

I think
that lin-
gering
feelings
are,
in a
sense,
love!

SHE'S
ALWAYS
PUTTING
MY
FEELINGS
FIRST...

AND
STILL
...

And
I wanted
her to
respect
your
feelings.

Let
him love
you?

Did
you ever
actually

I tried
everything,
but

In the end,
I guess it
isn't an
issue a rental
girlfriend
can resolve.

Don't
Apologise,

Mizuhara.

Who
can make
you truly
happy?

Did it
ever cross
your mind,
that this
may be the
person

I think
you should
tell her
how you
feel.

"I'D BE THE
HAPPIEST
MAN ALIVE!"

"IF SHE
WAS MY
GIRLFRIEND"

Anyway,
I am your
'girlfriend',
so I'll try
to help you
any way I can-

Though
I do under-
stand if
you don't
want to.

Pardon?

It's
you...

Ugh

YOU!

I want

Next time: "Mizuhara, Road to Dreams!"
